Catalog

How do I install or activate the Buy Together module?

01) Access control panel

02) After login click Modules >> Orders

03) Select the Buy Together module

04) After clicking the Install button

05) After installing click the EDIT button

06) Fill in the fields as requested to configure the Buy Together module

07) In the control panel >> catalog >> buy together >> you can add / edit / delete the products buy together
