

Errors

Warning: session_start() [function.session-start]: Cannot send session cache limiter - headers already sent ...

This error usually occurs when "session_start ()" is below any data output to the browser, it can be html tags or syntax errors in code snippets that precede the function. Example:

Correct form:

```
<? Php
```

```
Session_start ();  
Echo "Site Content!";
```

```
?>
```

Incorrect form:

```
<? Php
```

```
Echo "Website Content!";  
Session_start ();
```

```
?>
```
