

How to Import by API file griffati.com New Products or Upgrade / Synchronization of Large-Scale Product Inventory

01) Create your griffati.com account as Drop Shipping, for more information, please visit: <https://www.griffati.com/en/dropshipping.html>

Get the Product File (.XML Format)

02) After accessing the Control Panel

03) After login click on Catalog> Import and Update Product Feeds

04) Click Insert, fill in the fields:

Feed Name: griffati

Vendor: griffati (Add new case not listed)

URL or File: File

File: Upload the XML file

Percentage to increase in price: Define the percentage of profit on the price of the wholesale product of griffati

Feed Currency: US Dollar - USD

Status: Active

Status of Products on Import: Active

05) After clicking the Insert button

06) To import the products and synchronize the stock click on the Load Feed link (Recommended click once not to overload the server, if you overload the server your account is subject to suspension or blocking, it is recommended to hire a dedicated server, vps or cloud). To update the stock, click on the Load Feed link. Update the stock once a week or once a day at less access times, between 10:00 p.m. and 6:00 p.m.

07) Products will be imported for each Category specified by griffati.
