Channel Advisor

How do I set up automatic updating of multiple products on Channel Advisor for the latest updated products?

01) Access the Control Panel

02) After login, click on Configuration >> Channel Advisor Settings

Select Enable Channel Advisor Auto Products Update

Change to true and click the UPDATE button

- - - -

Select Channel Advisor Number of Auto Products Update

Configure the total number of products to be updated at a time, maximum recommended of 100 not to overload your server and Channel Advisor

- - - -

Select Channel Advisor Last Days of Auto Products Update

Set the days of the last updated products

Example: 5

Refers to products updated in the last 5 days

- - - -

Access the Control Panel >> Catalog >> Channel Advisor

Click Automatically Update Multiple Products to process updates for multiple products at once

You can configure a crontab for the link so that this process is automatic
