How to relate even product A and B?

If you want to relate the same product, for example:

Register product A and B, then relate as same product on both pages.

Example: Perfume 30ml is a product and Perfume 50ml is another product

01) Access the Control Panel

02) After login click on Catalog >> Select the category or subcategory >> Select the product

03) Click the SAME RELATED PRODUCT button

04) In column A is the product selected and in column B is another product that you want to relate

05) After clicking the RECIPROCATE button (to stay on both related pages)

Example: http://shop1.demoweb.ws/perfumes-femininos-dolce-gabbana-light-blue-edt-eau-de-toilette-50-ml-p-221.html
