

Shipping

How to configure the shipping module Melhor Envio?

First requires a registration on the site www.melhorenvio.com.br

01) Access the Control Panel

02) After Login Click Modules >> Submissions

03) Select the Best Shipping modules

04) Click the INSTALL button

05) Click the EDIT button

If the position field is already in use by another module edit this field

06) After clicking on UPDATE

07) Access the Control Panel >> Configuration >> Best Send Settings >> Fill in the field Email of register in the best sending

08) Access the Control Panel >> Configuration >> Shipping / Packaging >> Fill in the fields: Shipping Address, Number, Completion, Suburb, City, State, Company ID (CNPJ), Company ID 1 and Person ID (CPF)

09) Access the Control Panel >> Configuration >> My Store >> Fill in the fields: Store Name and Phone Call

Unique solution ID: #2311
